

FORM SUMMARY

Name of Forms: **Order for Involuntary Medication and Treatment**

Form Number: **ME-905**

Statutory Reference: §51.61(1)(g), Wisconsin Statutes

Benchbook Reference: MH 2-17

Purpose of Form: Authorizes a treatment provider to involuntarily administer medications (including psychotropic medications) and treatment to a subject.

Who Completes It: The Committee anticipates this form can be completed in court by checking the appropriate box.

Distribution of Form: Original to court; copies to parties, counsel and treatment providers

Accompanying Forms: Generally this form will be attached to an order of detention after a finding of probable cause, or an order for commitment.

New Form/Modification: Modifications, last update 06/00.

Modifications: In the findings section, reformatted and reworded options a. and b. and eliminated option c. Changed caption under signature line from “Court Commissioner” to “Circuit Court Commissioner”.

Comments: The following comments are retained from the previous form summary:

The court can enter an order allowing a treatment provider to administer involuntary medication or treatment to a subject after a finding of probable cause, at a final commitment hearing, or upon a separate post-commitment petition and hearing.

If the order is entered following a finding of probable cause, the order is in effect only until the final hearing. Otherwise, the order would be in effect until the commitment expires or the order is vacated.

About this form: This form is the product of the Wisconsin Records Management Committee, a committee of the Director of State Court's Office and a mandate of the Wisconsin Judicial Conference.

If you have additional information that does not change the meaning of the form, attach it on a separate page. The form itself shall not be altered.
